

The ETI's Programme of Work which spans the four quadrants of the Quality Improvement Strategy include:

**Individual Organisation Inspection:**

- Development of Inspection, including pilot inspections.
- District Inspector engagement.
- Follow-up inspections.
- Quality Improvement Planning.

**Thematic evaluations:**

- The Statementing Process.
- Art and Design at Key Stage 2.
- Review of the Entitlement Framework Policy.
- Priorities for Youth.
- Review of DE's Qualification Approval Process.

**Broader and exploratory inspection and evaluation work:**

- Registration and re-registration visits.
- Engagement with the Regulation and Quality Improvement Authority (RQIA).

**Professional Learning for Impact:**

- Empowering Improvement II Programme – Pilot.
- Dissemination of ETI evaluations: Digital Skills in the Curriculum; Future Ready Digital Learning; and Mutual Understanding in Primary Schools.
